Taurus Horoscope

This year should be a strong year for Taurus children making new friends. This is a kid who has turned napping into an art form.

With their tiny fists and feet, they love to punch, hit, and kick.

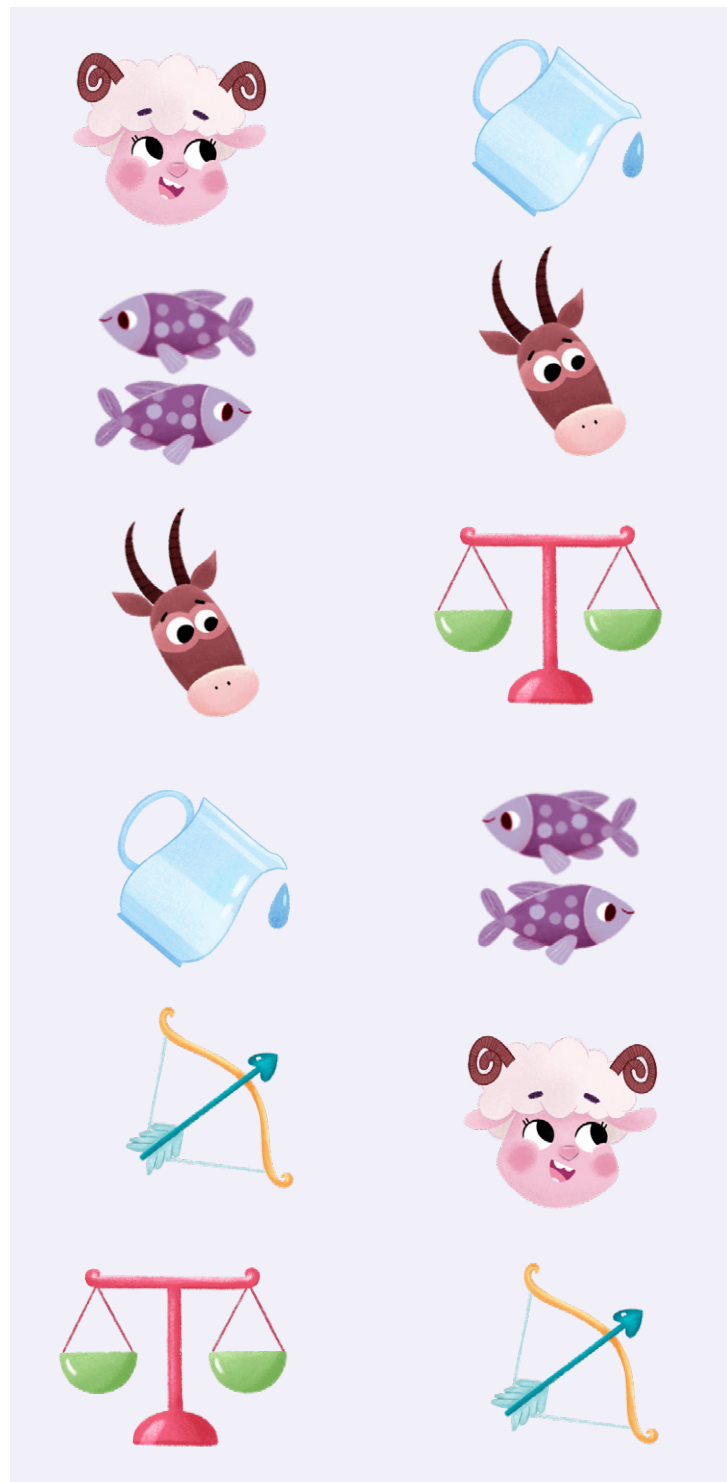

Give them soft toys so no one winds up with black-and-blues.

MATCH THE ZODIAC PICTURES

Draw a line to match the zodiac pictures in the left column to the SAME pictures in the right column.

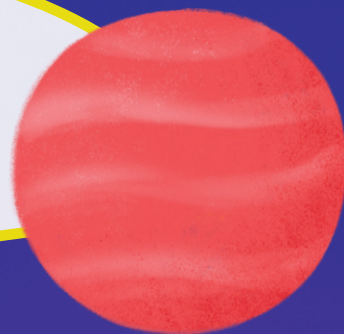

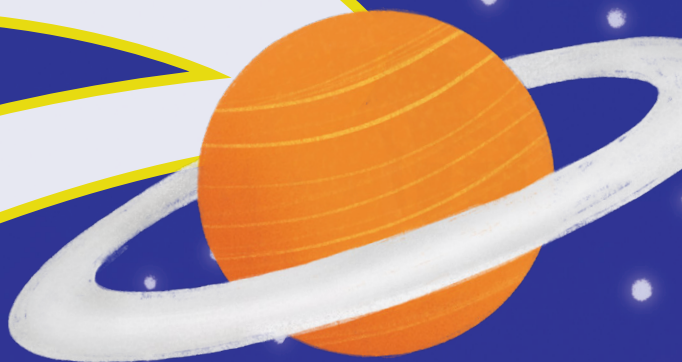

STARRY MAZE

Follow the rocket ship from planet to planet.
Trace the path.
